

- ◆ **Training and Placement Cell (TPC):** SKR has a unique way of moulding raw school students into fine engineers over the four year period with a well planned succinct training and placement program. 24 X 7 online mentoring service shapes up the student suitable for any campus recruitment.
- ◆ **Incubation & Research Center (IRC):** SKRIRC grooms pre-final and final year students to carryout cutting-edge technology projects and become self- motivated, self-sustained entrepreneurs who will turn out to be job providers instead of job seekers.
- ◆ **Center of Excellence in Embedded Systems (CoEES):** With the help of TIFAC a center of excellence in Embedded Systems is being setup at College premises that encourages R&D activity across connected departments such as ECE, CSE, EEE etc.
- ◆ **EKLuv.Ya!**: A 24 X 7 online collaborative learning platform to enhance, bond student learning as well as student-teacher relationship beyond 8a.m – 4p.m. is put in place. This will also bring hidden academic talents of students and help them improve their communication and expression skills through *online discussion forums, wiki articles, RSS feeds and interactive sessions.*
- ◆ **ACMS:** An in-house developed software that keeps parents informed about their wards' attendance, academic performance or any other pertinent information at the earliest through SMS/Internet (email) that would be very handy and quickly viewable.
- ◆ **Best School for Budding Engineers (BSBE) Award:** SKR Engineering College has constituted this prestigious award for school children to enthuse and inculcate engineering aptitude and skill-sets. This award carries about One Lakh Fifty Thousand (Rs.1,50,000/-) worth cash prizes every year.

Hostel

There are separate hostels for both boys and girls within the college campus. They are well furnished with all facilities including mess, which provides delicious and nutritious food. In fact the students enjoy a homely atmosphere with parental care in the hostel. They get purified water supply through R.O plant and there is uninterrupted power supply through generators.
A temple at the entrance of the college gives an auspicious look to the campus.

Special Features...

- ▶ MoUs with leading Industries such as Wipro, HCL, etc.,
- ▶ Good Campus Placement track record
- ▶ Digital library and membership in the IIT – Madras and Anna University Libraries.
- ▶ Skill phone lab for English Communication
- ▶ Spoken English classes for Tamil / Telugu medium students.
- ▶ AICTE – ISTE funded Training programs for faculty and students
- ▶ Students are encouraged and supported to participate in National & International Seminars / workshops / sports events
- ▶ TECH-CLUB to nurture the creative minds of students.
- ▶ Campus is equipped with Wi-Fi connectivity
- ▶ Yoga & meditation camps are conducted to mould the character and conduct of the students in the right direction.
- ▶ There is a great variety of co-curricular options to choose from such as NSS / YRC / RRC and Rotary.

About S K R...

S K R Engineering College established in the year 2001, is managed by Srinivasa Educational Trust.

The College is situated on the Bangalore highway and is about 20 km from Chennai Central Railway station and Airport.

The College runs with the sole aim of imparting quality technical education to the students and to develop them into best Engineers, both in theory and practice. We do not just confine with teaching Science and Technology of Engineering, but strive to crown it with an exercise to instill into each student the virtues and skills needed to make a difference in the world of tomorrow.

Courses Offered

B.E.	Electronics and Communication Engineering
B.E.	Computer Science and Engineering
B.E.	Electrical and Electronics Engineering
B.E.	Mechanical Engineering
B.Tech.	Information Technology
MCA	Master of Computer Application
MBA	Master of Business Administration

Subject to Approval...

U.G Courses

B.E. Civil Engineering
B.E. Electronics & Instrumentation Engg.
B.E. Automobile Engineering

P.G. Courses

M.E. CSE
M.E. VLSI

Scholarship

Scholarships in the form of full / partial waiver of tuition fee and text / note books are awarded to top TNEA rankers, meritorious students, sports students and socio-economically weaker students. As a special encouragement and appreciation 50% of tuition fee is waived for admitted students with above 90% in CBSE and above 92% in State board examinations.

Library

The Central library is spacious and well laid out with modern facilities. Besides the well maintained department library, the central library has a collection of large number of volumes and has subscribed for many National and International journals, which cater to fulfill the needs of the students of all disciplines. The Library is fully computerized to facilitate the Students to access online e-journals.

Within a short span of time SKR has become one of the largest Linux academic clusters in and around Tamilnadu. To strengthen this Linux Backbone Initiative, we have joined hands with Redhat Academy to become a value partner

In order to keep abreast with latest windows technologies SKR has formed many windows workstation bays and holds about 100+ licensed windows products through Microsoft Academic License Program

Deployment of Lab view and few other such premier software made us a distinct academic channel partner of National Instruments, a leading US based MNC that is known for best quality electronics and embedded equipments

As a humble participation in the mass movement of renewing green earth, SKREC is proud to embrace Go Green Initiatives such as Solar Energy based Products, Reduction/Elimination of Paper with Technology, Planting green saplings etc.

For the Mechanical Engineering the college has purchased host of CAD/CAM softwares. In that the department is actively involved in consultancy projects using SolidWorks.

Anna University – EDUSAT Facility

We have established Satellite facility in our College. Through this facility, students can view live lecture sessions given by Professors of Anna University. Also, the lecture sessions are stored in DVD's and the same are being used as when they are required and to reinforce the learning of concepts.

Membership in Professional Societies

Our college is a member of several professional societies...

- IEEE Institute of Electrical and Electronics Engineering
- ISTE Indian Society for Technical Education
- CSI Computer Society of India

Transport

The college operates buses covering all parts of Chennai and its suburbs such as Thiruvallur, Kanchipuram in order to help the students to be on time to the college. However, the college is well connected by Metropolitan bus services as it is in the vicinity of the city.

Physical Education

Well-equipped sports pavilion with accessories, and a separate playground for various games, and a fully furnished gymnasium induce the students to participate in various inter-collegiate sports events and win laurels for the college. Students are encouraged to participate Inter-collegiate, Inter-University and State Level competitions.

Lab Facilities

Each Department is well equipped with state of the art computers, advanced softwares, networking components, other equipments and machineries.
